

Highlights

- Affordable productivity gains. Check out our Multi-Display Payback Calculator—determine the cost benefit associated with adding a second display
- Positions screens for maximum ergonomic comfort
- Extends LCDs or laptop up to 25" (64 cm) with an adjustment range of 18" (45,7 cm); push your displays out of the way when not in use
- Frees up the desktop to increase workspace
- Easy to use: simple installation and effortless operation

Ergotron® LX

Dual Stacking Arm

Durable polished aluminum construction!

Make the most of your valuable workspace with Ergotron's LX Desk Mount Arms. Lifting your notebook computer and/or display off the desktop reclaims workspace and positions the screen to relieve eye, neck and back strain.

- Versatile: use with a notebook and LCD or with two LCDs
- Effortlessly lift your notebook to eye level and free up your workspace
- Use notebook with or without docking station
